July and August were the lazy days of Summer.

The Waterfront concerts have come to a close. The residents always enjoy going to them.

We had all of our usual music programs, Church Services, and games, baking, arts and crafts, reminiscing, trivia, etc. Bingo remains the favorite. Families are always welcome to join us at activity time.

The residents harvested vegetables from the raised garden beds, and enjoyed the courtyard many times during the summer. We will be having a cookout Sept 18th Residents family members are welcome to come and enjoy a meal with their loved one.

During this season we start looking forward to our fall color tours. Residents will also help us decorate for the fall, and of course in Oct. we will have pumpkin carving and for Halloween we will be passing out candy and we encourage staff to bring in their children in to enjoy the day. We are hoping to have more programs involving children, so any suggestions would be appreciated. Along those lines we would also welcome new music programs, if you know anyone interested in entertaining at Bayside, please let us know.

We want to thank all our residents and family members for making Bayside a great place to live and work.
